Loved You yesterday, love you still. Always have, and after 18 years I always will M W S

Those eight words mean more than what they say. I lived a life going through the motions, being happy with what I had. I finally got to a place in my life where I thought I would never really be truly happy, I settled. Its really alright because what I really wanted was gone, or so I thought. Then after almost 20 years of waiting, and wondering, Denise came back. Imagine wondering where the love of your life was, what happened to her, and if she even remembered who you were. Imagine living your life and comparing every other women to one. Imagine having the best sex in your life, and never having anything as close to it again Now imagine the girl of your dream comes back, and yes the sex gets even better
