The Solzhenitsyn Reader: New and Essential Writings, 1947-2005

The Solzhenitsyn Reader: New and Essential Writings, 1947-2005

This reader, compiled by renowned Solzhenitsyn scholars Edward E. Ericson, Jr., and Daniel J. Mahoney in collaboration with the Solzhenitsyn family, provides in one volume a rich and representative selection of Solzhenitsyn's voluminous works. Reproduced in their entirety are early poems, early and late short stories, early and late "miniatures" (or prose poems), and many of Solzhenitsyn's famous—and not-so-famous—essays and speeches. The volume also includes excerpts from Solzhenitsyn's great novels, memoirs, books of political analysis and historical scholarship, and the literary and historical masterpieces *The Gulag Archipelago* and *The Red Wheel*. More than one-quarter of the material has never before appeared in English (the author's sons prepared many of the new translations themselves). *The Solzhenitsyn Reader* reveals a writer of genius, an intransigent opponent of ideological tyranny and moral relativism, and a thinker and moral witness who is acutely sensitive to the great drama of good and evil that takes place within every human soul. It will be for many years the definitive Solzhenitsyn collection.
