Then Gia had let Beppe into her life so easily, as if it was the most natural thing in the world. She'd held him when he'd hurt so badly he'd thought he might die; she'd talked him down when he'd been so angry he'd considered doing something he'd regret for the rest of his life. Gia had saved his life. At least once he needed to be strong for her. This right now, this moment, was theirs. It belonged to them, not to abusive or dead fathers, not to guilt, regret or sorrow, not to the past or the future. But will their love survive when tragedy separates them? "I have to go, Gia. I'm tired and I feel empty. I know you need me, but I have nothing left to give you. I need to heal." "I miss you so much it's hard to breathe." Now Beppe was still Gia's closest friend. But they'd never be anything more than that again. Remembering what it felt like to have the person you love most in the world torn away from you still hurt. Gia was determined never to be put into that position again. There was never lack of love, but can Beppe win Gia's trust again? Forever "When I was broken you gave me pieces of yourself and made me whole again." Then, Now, Forever is the second novel in the Heartbeat series. It can be read as a stand alone title. Recommended for mature readers 17+ due to language, sexual situations, violent and graphic scenes.
