The book was designed for optimal navigation on the Kindle, PDA, Smartphone, and other electronic readers. It is formatted to display on all electronic devices including the Kindle, Smartphones and other Mobile Devices with a small display. ***** What Maisie Knew is a novel by Henry James, first published as a serial in the Chap Book and (revised and abridged) in the New Review in 1897 and then as a book later in the same year. The story of the sensitive daughter of divorced and irresponsible parents, What Maisie Knew has great contemporary relevance as an unflinching account of a wildly dysfunctional family. The book is also a masterly technical achievement by James, as it follows the title character from earliest childhood to precocious maturity. — Excerpted from Wikipedia, the free encyclopedia.
