Milan accepts a position as a live-in companion to ailing millionaire Noah Brockington. Her hunger for glamour and luxury drives her to become involved in a twisted relationship with her employer that soon results in a bizarre prenup and frantic preparations for the strangest wedding anyone could expect.

Fighting off greedy family members, Noah's obsession with quirky sex, and the yearnings of her heart, Milan finds a new zest for life as she strives to become the sole heir of the Brockington fortune. *A Bona Fide Gold Digger* is an addictive spin through scandal and temptation that will leave every reader dizzy, but wanting more.
