The eighth edition of Kinney/Raiborn's COST ACCOUNTING: FOUNDATIONS AND EVOLUTIONS provides in-depth coverage of current cost management concepts and procedures in a straightforward and reader-friendly framework. The clean, concise presentation of materials and fresh, new exhibits reinforce and clarify the topics that readers traditionally struggle with most. In addition, real-world examples and ethical coverage are woven into the text so readers immediately see the relevance of the cost accountant's role in managerial decisions and learn to go beyond the numbers and think critically. Ensure mastery of the procedural and decision-making skills needed for future success with the Comprehensive Review Module, an array of end of chapter assignments, and the powerful CengageNOW online learning and teaching system.
