Educational Audiology Handbook with CD Cheryl DeConde Johnson, Jane Seaton

The Educational Audiology Handbook is the recognized standard for students being trained in and professionals working in educational settings. Its straightforward presentation of the scope of educational audiology practice, the establishment of high-quality programs, and full integration into the school staff are hallmarks of this practical and informative text. Chapter appendices throughout are filled with form letters, parent handouts, instruction sheets, and protocols making this resource the bible for audiology practice in the school setting. A CD containing the forms, parent letters, handouts, and instruction sheets from the book, in ready-to-use PDF and customizable formats, is included with the new edition.
