London Fields (Everyman's Library (Cloth))

Martin Amis

London Fields (Everyman's Library (Cloth)) Martin Amis

Martin Amis's acclaimed novel—now in a twenty-fifth-anniversary hardcover edition—is a blackly comic murder mystery about a murder that has not yet happened.

First published in 1989, LONDON FIELDS is set ten years into a dark future, against a backdrop of environmental and social decay and the looming threat of global cataclysm. As the dreaded millennium approaches, Nicola Six, a “black hole” of sex and self-loathing, attempts to orchestrate her own extinction, choosing her thirty-fifth birthday, November 5, 1999, as the date of her murder. Whom to manipulate into killing her is the question; her choice wavers between violent lowlife Keith Talent, who is obsessed with winning a darts tournament, and a dimly romantic banker named Guy Clinch. When Samson Young—a writer suffering from a long bout of writer's block—stumbles upon these three, he believes he has found a story that will write itself. A highly unusual mystery with an unexpected twist at the end, LONDON FIELDS is also a corrosively funny narrative of pyrotechnic complexity and scalding moral vision.

(Book Jacket Status: Jacketed)
